

Sixth Grade Summer Reading Assignment

To keep reading skills sharp over the summer, I would like students to read as many books as possible and create one book mini-poster. Reading is a great pastime which allows the reader to relax, travel to new places, and take new adventures. Students can keep track of all the books that they read on the attached sheet.

- Everyone should pick and read at least two books from the list of books on the attached sheet (or from the link).
- Everyone should make one poster.

Instructions for the book mini-poster:

- Poster can be made from any of the books from this list.
- Poster should include at least the title, and author's name.
- Posters will be collected on the first day of school.
- Posters should be no larger than 9 x 12 inches (slightly larger than this sheet).
- Be creative and have fun with it!

Here is a list of questions that students should be ready to discuss about their books when they get back to class:

- What did you like about this book? Why?
- What was your least favorite thing about it?
- Why would you recommend this book to someone else?
- What did this book remind you of?
- Who do you think this book was written for? Why?

If you have any questions, feel free to check out the 6th grade website
