

Kittredge School Field Day 2019

As you all know next Friday, May 31st is our school Field Day! The kids will all be getting to Peacock Meadow at 10:00 with their class. At that point we will begin our fun activities for the day! Below is a list with each team-color breakdown. In this list you can find your child's team and color. We are asking them to wear their team color to show their team spirit for the day. Because each student will be given a Field Day T-shirt to wear that day, we are asking they get creative with their team color. This can be pants, shorts, socks, shoes, headbands, hats, even wigs are encouraged! Please have your child bring a healthy, **HEARTY** lunch. In an effort to eliminate waste, every student **MUST** bring their own water bottle, marked with their name. There will be plenty of water for student's to refill at the event. It is going to be a long, active day, don't forget sunblock and a jacket! Blankets are encouraged for the giant picnic.

This year we are very excited to announce we will be participating in a school wide Holi celebration. Holi is known as the "festival of colors" as it celebrates Spring which is full of colors. Students will be using organic, NON-TOXIC colored powder to throw at one another, the sky, themselves, their teachers.... so please expect your child to be a bit messy and colorful at pick up!

We look forward to a fun filled day!
