Principal's Report- Summary of School Activities

Treasurer's Report – see attached

Holiday Happenings

Catherine's Report – Format needs to change because of Covid restrictions. Initial planning stages of reinventing what it looks like.

Plan A and B include use of backyard and front of school. Try to contain within school. Prepackaged snack, craft, photo and maybe a game. If we are able to open the school – considering using K/1 room for crafts. If we use this space, we are considering attendance waves and possibly making a kid only event

Plan C- maybe just pick-up pre-packaged goodies dependent on Covid guidelines

Requesting help from Matt the music teacher – Ms Pon-Barry to coordinate introductions

Fall Social and Raffle

Michelle reported initial plans – 21 guests have RSVP'd. Polly Martini has been secured as bartender at a cost of \$1,000.. Michelle is going to investigate purchasing the alcohol and find out what existing supplies the Buzzicks have on hand. Childcare will be available at the event and cost will be determined based on numbers

Tom reported \$3800 has been raised in Fall Raffle and 50% of families have participated
