#### President's Report

Kyle provided the following updates:

- The Spring Camping Trip has been organized by Shane Hill for the week of May 13-15 at Bothe-Napa Valley State Park.
- Ms Pon-Barry has volunteered, as a parent representative, to organize KPA documentation and possibly create job descriptions for existing roles so volunteers better understand what to expect.
- A record setting response was received from the recent KPA Parent Survey. An email with all the details was sent to the community earlier today.
- The KPA is recruiting for two upcoming open positions (President, Treasurer) for the 2022/2023 academic year. Parents interested in taking on a leadership role in not-for-profit fundraising and building community support should reach out to our current president, Kyle Kaufman. The current Treasurer would be happy to shadow the incoming leader to ensure a smoother transition.
